

# Insurance Coverage

Our insurance coverage attorneys specialize in the analysis and evaluation of coverage issues involving the full breadth of liability insurance products and, when necessary, the pursuit of declaratory judgment actions and suits for rescission.

Our clients include major insurance companies, brokers, and intermediaries.

## **Examples of the areas where we assist our insurance clients include:**

- Coverage Opinions
- Reservations of Rights
- Coverage Disclaimers
- Coverage Litigation and Arbitration
- Avoiding Bad Faith and Extra-Contractual Exposures

## Coverage Analysis For Insurers

The attorneys at Drew Eckl & Farnham can analyze coverage in order to help carriers assess their duties to policyholders, prevent prejudice to the rights of the carriers or insureds, and assist in the resolution of complex coverage issues.

### **We offer coverage analysis of:**

- Standard personal lines and commercial policies
- Complex manuscript policies
- Excess, umbrella and layered insurance products
- Complex heavily reinsured insurance products
- Reinsurance treaties, quota share agreements and facultative placements

Whether you need coverage analysis or resolution of an insurance dispute, we offer assistance throughout the state of Georgia.
