

OUTSIDE GENERAL COUNSEL

We serve as outside general counsel for a number of locally and nationally recognized organizations, advising decision-makers with regard to all of their day-to-day and strategic legal needs, including:

- Corporate governance and strategic board matters
- Contract negotiation and ongoing contract management
- Regulatory compliance (including HIPAA, Medicaid/Medicare, HUD)
- Product and technology licensing
- Banking and corporate finance
- Corporate restructuring and growth strategies
- Pivot strategies and operations planning
- Stockholder communications and dispute resolution
- Financial reporting
- Mergers, Acquisitions, and Joint Ventures
- Governmental reporting
- Intellectual property strategy
- Employment law compliance and human resources policies, procedures and auditing
- Executive contracts and compensation
- Governmental and internal investigations

- Cybersecurity risk analysis, insurance policy compliance, and incident response
- Products liability audit assessments
- Technology and information management and strategy
- Litigation readiness and response
- Acquisition integration
- Commercial real estate purchase and leasing
- Trade group or PAC formation with election law-compliance support

Members of our team have extensive experience as in-house counsel, working under budgetary constraints and with operational accountability, making us well suited to fill the role of outside general counsel.
