

Course Title: Homestudy Materials

Brief Description: In order to receive home study credit, the attendee will be required to review the attached and below outlined material. We certify that, on average, the attendee will be required to commit 18 hours to successfully read and study the materials. To ensure the material was reviewed, the attendee will be required to take a proctored exam based on the material. The exam can be provided for review if needed. A full copy of the home study materials can be found online at <https://www.deflaw.com/wp-content/uploads/2025/02/Final-Homestudy-Materials-2025.pdf>
